The San Francisco FUKUSHIMA IS HERE human mural

Ocean Beach — 11am-12 noon, Saturday, October 19, 2013  
 Help us form this message with our bodies at 11:00am — Helicopter aerial photo at 12 noon!  
 The nuclear emergency in Japan is not yet under control.  
 Radioactive contamination from the Fukushima Daiichi plant threatens life everywhere.

WE are going to be HERE on October 19th,  
 11 am at Ocean Beach, San Francisco, CA

Creating a "human mural" with living  
 bodies spelling out an inescapable truth  
 for other living bodies out there...  
**FUKUSHIMA IS HERE**

There is no denying. Join us and be real  
 that Fukushima is here, and here to stay  
 It's not time to be sad, it's not time to freak out  
 It's time to deal...

let's tell the world...FUKUSHIMA IS HERE

*We need YOU... to*

**Help us spread the words – on the beach**
